- Ground Hog (Jan 26th – 28th)

NEWS & NOTES

Schedule for Week:

There will be no practice on Friday or Saturday due to the WTSC meet. Senior swimmers please follow Coach Darrick's schedule provided via email.

WTSC Meet:

Attached is the itinerary and meet entries for the Ground Hog meet this weekend. Please look over both closely so you are aware of arrival times and all events your swimmer is participating in.

10&U swimmers MUST have their events and events numbers written on their arms before arriving.

Block #3 Extended:

Just a reminder that block #3 has been extended. This means there will not be a break before block #4 starts. This also means we will not have an inter-squad meet this block.

Middle School Emails:

If your swimmer is on the middle school team and you are not getting weekly emails from Coach Garrett, please let him know ASAP, so you can be added to the list.
