Senior: 4-5:30pm

Elite: 4-6pm

AGA: 4-5:30pm

AG1: 5:30-7pm

AG2: 6-7pm

DEV: 6-6:45pm

FAST 500 Entries:

Attached is the first round of FAST 500 entries. Please look over them to make sure you are aware of your swimmers' events. We can adjust this entry one more time before it is finalized.

Reminder of Summer Schedule:

Attached again, is the summer schedule for June and July. Please look over this. We will not start this calendar until school is out. Until then we will follow the April and May calendar.

End of Practice Locker-room Usage:

During the first two weeks of practice, we have had some swimmers spending 15-20min in the locker-room after practice. This is far too long. Please make sure you communicate with your swimmers that they need to get ready quickly after practice is over. Thanks!!

Congrats Duel in the Pool Swimmers:

We would like to congratulate, the follow swimmers for being invited to the Duel in the Pool meet later this summer. Swimmers selected will swim for Team Indiana against other states for the rights to be called the best swimming state. Only a select few swimmers get asked to attend so this is a big honor.

If you see these swimmers make sure to give them a high five.
