Noblesville Enchanted Forest Meet:

The Enchanted Forest meet file has been uploaded to our site. The first round of entries are due May 10th. Please declare your swimmers if they are planning to attend.

End of Practice Locker-room Usage:

Just a reminder, during the first two weeks of practice, we have had some swimmers spending 15-20min in the locker-room after practice. This is far too long. Please make sure you communicate with your swimmers that they need to get ready quickly after practice is over. Thanks!!
